

## Training

If you would like to increase your expertise in the complex area of intellectual property, and in particular patents, I offer training in the following fields:

- The patent - an overview
- IP for the business – sensible & sustainable
- Patent Search for R&D personnel
- Value of patents
- Non-disclosure agreements: Why - When – Where
- Royalties and the German Employee Inventors Act

Further training courses upon request.

The training can be held in-house or at a venue selected by you.
